Excellent sag resistance

Excellent wet/dry hide

Open your smartphone camera and scan over the code to learn more about the benefits of ProClassic[®] Interior Enamels. ►

ProClassic® Interior Enamels allow you to create fine quality features easily, with flow and leveling that reduces unsightly brush and roller marks and excellent hide that requires fewer coats.

Picture-Perfect Finish

Features an advanced formula that goes on smooth without brush or roller marks.

Offer Peace of Mind

These formulas stay where they're put for a smooth, sag-resistant finish.

Save Time and Money

Provides excellent coverage in fewer coats.

Broad Range of Finishes

Available in satin and semi-gloss finishes for all three products, plus gloss and high gloss in the Acrylic Enamel.

***Industry-leading innovation from a name you can trust.** Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set your work apart.*
